2009 Membership Renewal

Your next issue of **Motor Coach Age** may be your last!

Dear MBS Member,

Production of Motor Coach Age is now back up to full speed! The final issue of **Motor Coach Age** for 2007 - October/December is now complete and has been mailed to current members. Don't let this be your last issue. Please renew your membership in the Motor Bus Society today.

Help us keep the history and preservation of the North American bus industry alive and growing. Please also consider with your membership dues a separate financial contribution to our two special funds: The John P. Hoscheck Memorial Transportation Archives Fund and/or the Motor Bus Society General Support Fund. The Motor Bus Society is a non-profit 501(c) 3 corporation and any financial or material donations to the above funds are tax-deductible.

Is your personal collection of bus related items becoming too large? Are you looking to downsize in the next few years? Know of someone who has a collection of bus related materials and does not know what to do with it? Then please consider making a donation or pledge of any bus, coach or public transit industry related materials to our Archives. If you or someone you know wishes to make a donation of materials to the Archives, please contact us one of three ways; thru our e-mail address: info@motorbussociety.org, thru the postal address above or by checking the box on the coupon below to arrange for assistance in making a donation. An MBS Officer or Trustee will contact you to discuss the donation of items.

For payment of your 2009 dues, please make your check or postal money order payable in US funds (\$) only to: **Motor Bus Society**. Residents of Canada & Mexico, please add \$5.00, residents of other foreign countries, please add \$10.00 for postage charges.

Detach the payment coupon below and mail it along with payment to:
